**CHARGING PARTY'S MOTION FOR EXTENSION OF THE
DEADLINE FOR FILING CROSS EXCEPTIONS**

Pursuant to Section 102.46(d) of the Board's Rules and Regulations 29 C.F.R. §102.46(d), Charging Party United Association of Plumbers, Pipefitters, and HVAC Refrigeration Mechanics, Local Union 123, United Association of Journeymen and Apprentices of the Plumbing and Pipe fitting Industry of the United States and Canada, AFL-CIO ("Local Union 123") hereby moves for an extension of time for filing cross exceptions and supporting briefs and opposition to exception in the above-captioned proceeding. In support of its Motion, Local Union 123 states as follows:

1. On October 12, 2012, the National Labor Relations Board issued an Order transferring this proceeding to the National Labor Relations Board following a decision by Administrative Law Judge George Carson, II, dated October 12, 2012. Pursuant to the Board's Order, exceptions to the Decision of the Administrative Law Judge were due on November 9, 2012 by the respondent.
2. Exceptions were filed on November 9, 2012 by the Respondent.

3. Cross Exceptions and/or Briefs in Opposition to the Exceptions were due on Friday, November 23, 2012.
4. Due to the complexity of issues in this case, the intervening Thanksgiving holiday of November 22, 2012, the closure of my office on Friday, November 23, 2012, and the acute shortage of support staff to scheduled vacation on November 21, 2012, the Charging Party requests a one day extension until Monday, November 26, 2012 for the filing of cross exceptions and a brief in support and a brief opposing Respondent's exceptions.
5. Counsel for the General Counsel and counsel for the Respondent have been contacted concerning this requested extension. Counsel for the General Counsel does not oppose the request. Counsel for Respondent has been out of the office and I have been unable to determine his position concerning the request for extension to file cross exceptions and related briefs to November 26, 2012.
